

NEW STUDENTS TO KENAI PENINSULA SCHOOL DISTRICT

Health Information Check List

____ 1. IMMUNIZATIONS: Please submit your child's immunization record. A copy will be made for our records. Students must meet Alaska state standards. This includes tetanus/diphtheria/pertussis, polio, measles/mumps/rubella, hepatitis A and hepatitis B.

____ 2. SCHOOL ENTRANCE PHYSICAL EXAM: Students entering an Alaska school for the first time are to receive a physical examination. A copy of this exam is to be presented to the school at enrollment or as soon as possible thereafter.

____ 3. HEALTH CARD: Please sign and date in **ink**. Enter other demographic information in **pencil**.

____ 4. HEALTH INFORMATION FORM: Please fill out this important information sheet, which will let us know of any health issues your child may have.

Note: If your child has **asthma** or a history of a **head injury**, please fill out the appropriate forms (obtained from the nurse).

____ 5. MEDICATIONS: If you intend for your child to receive medication of any kind while at school, please fill out the appropriate medication forms (obtained from the nurse).

Thank You

Yolanda Ifflander
